## Superintendent's Highlights

The district continues efforts to improve all of the services needed to provide exceptional educational programs. Primary focus for professional development will be data interpretation for improvement of student learning. Effective extended day reading remediation in the primary grades will have all students reading at or above grade level by 2006.

Providing ample opportunities for professional development in the changing educational paradigm is a district commitment. Grants and local dollars are used to prepare our 3 and 4 year olds to enter school ready to learn by providing pre-school, after school, and summer programs.

The patrons of the district have approved the eighth highest school tax levy in Idaho in order to provide school facilities conducive to learning. Construction is scheduled for completion in fall of 2003.

### Idaho Standards Achievement Tests (ISAT) Spring 2003

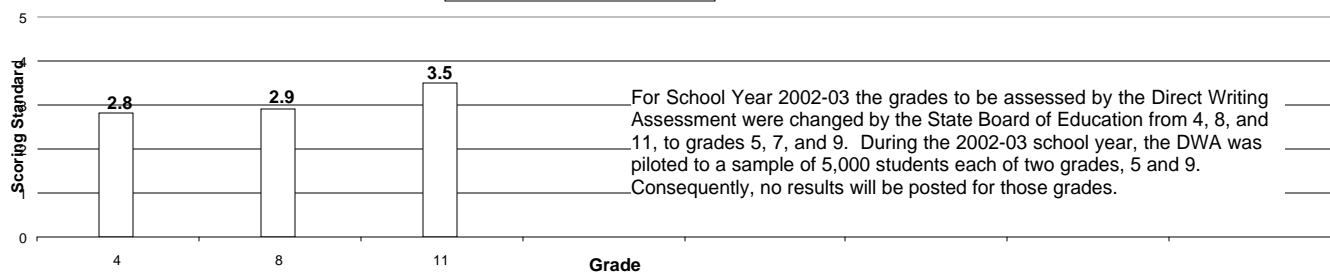

■ Reading □ Mathematics ■ Language

In order to meet the terms of the compliance agreement with the U.S. Department of Education and the requirements of No Child Left Behind, the 2003 Spring ISAT administration assessed students in grades 4, 8, and 10, in the areas of reading, language arts, and mathematics. Additional grade levels will be assessed in each of the next two years in order to be in complete compliance by 2005.

### Direct Writing Assessment

■ 2000-01 □ 2001-02

For School Year 2002-03 the grades to be assessed by the Direct Writing Assessment were changed by the State Board of Education from 4, 8, and 11, to grades 5, 7, and 9. During the 2002-03 school year, the DWA was piloted to a sample of 5,000 students each of two grades, 5 and 9. Consequently, no results will be posted for those grades.

### Direct Math Assessment

■ 2000-01 □ 2001-02 ■ 2002-03

In School Year 2002-03 grade six was added to the grades assessed by the Direct Math Assessment. Sixth grade was handled as a pilot of approximately 5000 students. Results are reported for grades 4 and 8 but not for the pilot in grade 6.
